Public Transit:

Please Note: Those with easy access to Amtrak, NJ Transit, Metro North or the LIRR should take the train. New York City subway maps are available in every station.

The workshop venue is located one block from the Times Square stop that is reached by many subway lines. It is also within walking distance of both Grand Central and Penn Station, and half a block from the Port Authority Bus Terminal.

Attendees will enter on the 41st Street side of the building, and will be directed to the appropriate elevators.
